

Via Claudia Augusta

Across the alps from AUGSBURG to QUARTO d'Altino/VENICE

The cycle path leads from the local recreation area of the Augsburg forest along the Lech river through botanical treasures and the Lech heathlands and passes on the lead by Schongau to the gentle hills of the Pfaffenwinkel nature region all the way to Forggensee, the Füssen bathtub. After a short intermezzo with King Ludwig's visions in his castle of Neuschwanstein your cycle trip proceeds past the Füssener Lechfall, then the cycle path continues along river Lech into the Tyrolean Alps. From Reutte an organised shuttle-transfer takes you to Fernsteinsee Castle and the cycle path takes you through the picturesque Gurgltal (Gurgl Valley) and into the Upper Inn Valley. With another relaxing shuttle-transfer you overcome the climb up to Nauders on the Reschenpass. From Reschensee in South Tyrol you take the Adige Cycle Path, along the playful river, through the lush fruit growing landscapes of the sun-drenched Vinschgau valley, via the spa town of Merano and the idyllic shimmering Lake Caldaro to the lovely Castelfeder holiday region. The wine gardens and numerous manorial castles nestle upon the hills and high plateaus around Lake Caldaro and the South Tyrolean lower land flows seamlessly into the famous Trentino. By another shuttle transfer you leave Trento behind and ride the famous Valsugana thermal region along Brenta river which accompanies you almost to Feltre. Soon you leave the gracious hills of the world famous Prosecco-production area of Valdobbiadene behind and cycle through contemplative and historically significant cities like Treviso before you reach Quarto d'Altino. By train you ride directly into the centre of Venice - nothing's in the way of strolling through the innumerable alleyways and to discover the Serenissima with its many Palazzi and cultural treasures.

Itinerary

Day 1: Individual journey to Augsburg

Visit of the Roman provincial capital „Augusta Vindelicorum“

Day 2: Augsburg – Landsberg (approx. 50 km)

The place name Augsburg derives from the Roman name of the town „Augusta Vindelicorum“, which was founded in 15 B.C. under the rule of Emperor Augustus. Augsburg’s popularity however, was established with its role as a Fuggertown. Therefore, a visit of the Fuggerei, which is the world’s oldest project for social housing still in use today, is almost a must. The stage to Landsberg is thought to be a comfy „run in“ on almost flat terrain.

Day 3: Landsberg – Region Schongau (approx. 45 km)

On the horizon you can already see the Alps but you get to enjoy the beauty of the region Pfaffenwinkel first. Schongau features a picturesque old town and almost completely preserved town walls.

Day 4: Region Schongau – Füssen/Schwangau (approx. 40 km)

Having left the old town of Schongau the cycling path along River Lech takes you into the Tyrol. Before heading over the border from Germany to Austria the beautiful fairy tale-like Neuschwanstein castle awaits you.

Day 5: Füssen/Schwangau – Imst (approx. 40 km | without transfer approx. 70 km)

Today the tour takes us from Füssen to Reutte. From there our transfer brings you across Fern Pass in a comfortable way. From Fernstein castle you cycle past Nassereith and through the picturesque Gurgltal Valley to Imst. A “beery” adventure awaits you at the microbrewery at Starkenberg castle.

Day 6: Imst – Holiday region Lago di Resia & Alta Venosta (approx. 55 km | without transfer approx. 105 km)

After a hearty breakfast you cycle from Imst to Landeck. From there we take the shuttle up to Nauders. Soon afterwards you cross the border to Italy at Reschen pass and with it the main Alpine ridge. You cycle downwards towards Malles past Reschenstausee reservoir with the sunken church tower of Altgraun, one of the most famous photo motifs of Italy. Enjoy the first evening on South Tyrolean soil and enjoy strolling through the old alleyways of the town.

Day 7: Holiday region Lago di Resia & Alta Venosta – Merano (approx. 65 km)

Today you cross the entire Val Venosta. The route leads from an altitude of more than 1,000m down to the town of Merano that is located at an altitude of 350m. Most of the route follows the course of River Adige. From your starting place this pleasant cycling stretch leads down to the smallest town of the Alps, the town of Glorenza. Past the marble town of Laas you get to Naturns and eventually – past the impressive Kastellbell castle – to the spa town of Merano. Enjoy an evening walk through town along the “Passer” promenade surrounded by subtropical flora.

Day 8: Merano – Castelfeder Holiday Region (approx. 50 km)

There is plenty to see along this route: Niederlana's famous Schnatterpeckaltar, the largest Gothic wing altar in the Alpine area, the highest church tower of the South Tyrol in Terlan and a great number of fortresses and ruins on both valley slopes.

And - after the optional visit of Bolzano you'll have the wonderful opportunity to refresh your legs at Lake Caldaro.

Day 9: Castelfeder Holiday Region – Trento (approx. 50 km)

Today you cycle along River Adige that is lined by orchards until you get to Salorno. The German-speaking part of the South Tyrol ends here. The stage finishes in the town of Trento which features an old town worth seeing with historic buildings like the castle Buonconsiglio.

Day 10: Trento – Feltre (approx. 65 km)

An easy start by transfer to Valsugana is followed by a beautiful tour on a new cycle path from Levico Terme along river Brenta to Borgo Valsugana and Primolano. From here you have to take a regular road up to Arsie and Fonzaso in order to finish in Feltre, one of the most important historical cities.

Day 11: Feltre – Pieve di Soligo (approx. 50 km or 60 km via Praderadego-Pass)

Today you've got two options. Either you take the hilly but not too exhausting road through the Prosecco vineyards or you take the sporty road and pass by Lentiai and the impressive Praderadego-Pass (approx. 900 Altitude difference). Pieve di Soligo is definitely perfect to relax after a "harder" day.

Day 12: Pieve di Soligo – Quarto d'Altino/Venice (approx. 65 km)

One last push on the pedals and you will reach the lagoon city of Venice.

And the route there has some real highlights to offer. Shortly after Pieve di Soligo, still in the middle of the Prosecco hills, the imposing Castello San Salvatore towers above you, and after a short, busier section of road at Ponte Priula, you reach the "city of art and radicchio" Treviso.

The last section of the cycle path then takes you to Quarto d'Altino – a small town very close to the original starting point of the historic Via Claudia Augusta.

Here, the bike has served its purpose and you can relax and take the train to Santa Lucia station in Venice, a journey of about 20 minutes. From there, the countless narrow streets leading to Piazza San Marco are ideal for exploring on foot. Of course, a romantic gondola ride could also follow as a reward for the many kilometers cycled...

Day 13: Individual Return Journey or Extension
