

# Via Claudia Augusta

## Across the Alps from FÜSSEN to VERONA via LAKE GARDA – sporty

Your transalpine cycling tour begins in Füssen, at the foot of the Ammer Mountains and idyllically situated on Lake Forgggen.

Passing the photogenic Lechfall in Füssen, the cycle path follows the course of the river into the Tyrolean Außerfern region. Passing the photogenic Lechfall waterfall in Füssen, the cycle path follows the course of the river into the Tyrolean Außerfern region.

The rugged elegance of the Lechtal Alps and the Zugspitze massif flank the cycle path as it winds its way to the Ehrwald Basin, a protected moorland area where parts of a Roman “road” on the Via Claudia Augusta are preserved underground.

An organized transfer takes you to Fernsteinsee Castle, and the cycle path continues through the picturesque Tyrolean Oberland. The lush vineyards that characterize the Etschtal valley nestle gently against the foothills of the mountains, surrounding many a pretty village and forming a picturesque ensemble with the stately castles. In addition to the harmonious landscapes that you can literally breathe in on your cycling tour, renowned cities such as Füssen, Bolzano, Trento, and Rovereto also enrich your journey with their atmosphere and attractive sights. Last but not least, Lake Garda scores with its alpine elegance before you cycle into the picture-perfect city of Verona.

## Itinerary

### Day 1: Individual journey to Füssen

King Ludwig II. and his fairy-tale castle welcome you in Füssen.

### Day 2: Füssen/Schwangau – Landeck (approx. 75 km)

Castles of Neuschwanstein and Hohenschwangau lead the way towards Reutte. Shortly after Reutte you have to overcome a short stretch up to Ehrenberger gorge/Ehrenberg castle ruin. You now cycle across the Tyrolean "Ausserfern" until you reach Biberwier. From there our transfer brings you across Fern Pass in a comfortable way. From Fernstein castle you cycle past Nassereith and through the picturesque Gurgltal Valley to Imst. The stretch from county capital city of Imst to the next county capital city of Landeck follows the cycle way along River Inn/InnRadweg.

### Day 3: Landeck – Holiday region Lago di Resia & Alta Venosta (approx. 85 km)

Next to river Inn the cycle way leads from Landeck to the so called Oberes Gericht and on to Pfunds. Past Pfunds the cycle way is on swiss state territory for approx. 10km. From Martina/Unterengadin you'll conquer 400m of height distance along the winding but not too steep road of Norbertshöhe. A short coast down to Nauders is followed by a short and easy uphill passage where you cross the border to Italy at Reschen Pass and with it the main Alpine ridge. You cycle downwards towards Malles past Reschenstausee reservoir with the sunken church tower of Altgraun, one of the most famous photo motifs of Italy. Enjoy the first evening on South Tyrolean soil and enjoy strolling through the old alleyways of the town.

### Day 4: Holiday region Lago di Resia & Alta Venosta – Merano (approx. 65 km)

Today you cross the entire Val Venosta. The route leads from an altitude of more than 1,000m down to the town of Merano that is located at an altitude of 350m. Most of the route follows the course of River Adige. From your starting place this pleasant cycling stretch leads down to the smallest town of the Alps, the town of Glorenza. Past the marble town of Laas you get to Naturns and eventually – past the impressive Kastellbell castle – to the spa town of Merano. Enjoy an evening walk through town along the "Passer" promenade surrounded by subtropical flora.

### Day 5: Merano – Salorno/Mezzocorona (approx. 65 - 75 km)

Whether it's the Sarntal Alps, the Dolomites, or the Mendel Ridge that point the way to the Adige Valley, the cycle path winds its way through the lush South Tyrolean lowlands, following the Adige River, slipping through the historically significant Salurn Pass, and continuing into the Trentino basin. The unspoiled villages in this northern Italian wine region invite you to end your day's cycling in a relaxed atmosphere.

**Day 6: Salorno/Mezzocorona – Torbole sul Garda/Region Lake Garda North** (approx. 75 km)

The journey continues downstream along the Adige River until the Doss Trento pushes its rocky flanks into the Adige River. The old town of Trento at its feet, with its interesting and historically significant monuments, as well as the small town of Rovereto further south, where modern architecture successfully bridges the gap to Venetian history, provide nature-loving cyclists with a taste of culture. At Mori, you leave the Adige Valley and, after a gentle climb to the Passo San Giovanni (287 m), you roll downhill through picturesque surroundings to your stage destination on the shore of the deep mountain lake.

**Day 7: Torbole sul Garda/Region Lake Garda North – Verona** (approx. 80 km)

The route takes you briefly uphill and back into Vallagarina. Continuing south, the Adige Valley becomes increasingly charming. Although the flanks of the Lessini Mountains move closer again and narrow the traffic routes in the Adige Valley, you can enjoy a magnificent view of the Valpolicella wine hills north of Verona from the hilltop.

You roll energetically along the Adige canals into the much-vaunted and music-loving city of Verona.

**Day 8: Individual Return Journey or Extension**
